

EC Declaration of Conformity

DOCM07ver2

Manufacturer: NORECS AS
Address: Gaustadalleen 21, NO-0349 Oslo, Norway

We NORECS AS declare under our sole responsibility that the product

Model: ProGasMix
Type: FC
Description: Low pressure rotameter-based manual gas mixing system for scientific measurements

is in conformity with the provisions of the required Directives of the European Parliament and of the Council. Assumptions of conformity are based on the following:

The Product operates at near atmospheric pressure. The total volume of the part of the Product that may be at elevated pressure lower than 1000 cm³ and therefore falls outside category I of the Pressure Equipment Directive (PED 2014/68/EU), and therefore does not require CE marking related to PED.

Compliance with this directive is under Sound Engineering Practice (SEP).

The Product operates with voltages less than the limit of 50 V defined in Low Voltage Directive (LVD 2014/35/EU), and therefore does not require CE marking related to LVD.

The Product may or may not include an external, commercial mains adapter supplying the 24 VDC required by the equipment. This adapter falls under both the Electromagnetic Compatibility (EMC) and LVD directives, and therefore is CE marked. Separate declaration of conformity for the adapter is supplied when adapter is included.

Declaration of Conformity valid since: 02.10.2017
